Receive Steinberg's Cubase LE 8 Music Production Software Free With AMPLIFi TT Purchase

AMPLIFi TT – Plug your guitar into more of your life

AMPLIFi® TT is the perfect desktop guitar interface. Featuring built-in DSP that delivers award-winning amp and effects models, as well as Bluetooth® streaming, it's also an ideal USB interface for recording guitar. When paired with Steinberg's Cubase LE 8, it becomes a powerful system that makes it easy to record, edit and mix your guitar tracks. AMPLIFi TT and Cubase LE8 enable you to practice, play and record any time you're ready.

From September 1 through December 31, 2015 get Cubase LE 8, free with purchase of AMPLIFi TT. Simply register your AMPLIFi TT and receive a coupon code for your free download of Cubase LE 8.

Steinberg's Cubase LE 8 - Music Production Software

Building on the same core technologies found in Steinberg's Cubase advanced music production system, Cubase LE is a special compact version offering all the basic tools for recording, editing and mixing everything from the basic idea to the final masterpiece. Cubase LE offers powerful yet easy-to- use software tools for a large range of music styles — exclusive to customers of selected hardware.

FREE download of Cubase LE 8 with other select Line 6 products*
