1.2 International Warranty:

(for customers outside of the United States and Canada) Supro USA has chosen only the best dealers and distributors to work.

1. Call the Supro dealer that you purchased your amplifier from. Inform them the nature of the problem you are having. Most often they will be able to assist you with replacement parts or service
2. If your dealer is unable to help, call the Authorized Supro Distributor in your country (you can find their details on our site). They have the technical staff and experience to assist you, and also have all of the resources of Supro engineers at their disposal
3. If you are still unable to get the assistance you require or you feel you have a problem that the Distributor cannot resolve, contact us directly by sending an e-mail to support@suprousa.com, but only if you have tried both previous routes first.
