**To our customers in the states of Colorado:**

Your purchase is subject to sales/use tax in these states unless it is specifically exempt from taxation. These states require that a sales/use tax return must be filed at the end of the year reporting all of the purchases that were not taxed; the purchase is not exempt simply because it was made over the internet or with the use of a remote device. Retailers that do not collect sales tax in these states are obligated to provide purchasers a summary of purchases at year end in order to assist them in filing their tax report. Retailers that do not collect sales tax in these states may be required by law to provide the Department of Revenue with an annual report of the total amount of all of your purchases above certain thresholds. Details on how to file this return may be found at your applicable state's Department of Revenue website.

Seller has collected the simplified sellers use tax on transactions delivered into Alabama and the tax will be remitted on the customer's behalf to the Alabama Department of Revenue. Seller's program account number is SSU-R010254311.

There are no taxes charged for Gift Card orders; however, purchases paid for with Gift Cards may be subject to tax.
